YEARBOOK UNDER CONSTRUCTION

power [n.] ability to do anything; capacity for producing an effect
tool [n.] an instrument for achieving any purpose

Nail down a theme and design plans for cover, endsheets, divider pages and folio ✂ Create a blueprint for your

yearbook by planning your ladder ✂ Build the foundation of your book with help in layout design, coverage, caption writing and photography ✂ Make your book exciting

with tips on using color and a chance to win color pages

✂ Get your crew on schedule in advance with staff management pointers ✂ Build relationships while you work as a team ✂ Train with software tools, including Photoshop along with InDesign, PageMaker or EliteVision

✂ Drill your students on interviewing and writing to sharpen skills ✂ Meet crews from other schools

✂ Compete to win Photoshop to add to your toolbox ✂ Have fun while constructing your next yearbook masterpiece

WHEN?

July 25-July 27

Registration is Monday at 9:30 a.m. and workshop will end after awards ceremony Wed. at 3 p.m.
